I bought a hot tub and a pool from Boldt. I received exceptional service from everyone involved. My salesperson, Greg was more than excellent. I was very indecisive and he helped me choose the right size of pool and the right hot tub for my needs.

If I have any thing to share to make your process go smoothly is, let them take care of everything!! Thank you Boldt & especially Greg for being so incredibly patient with me.

I am very pleased overall with the installation of our pool. They are professional, and courteous. Bryce, Tony and Mike as well as Samantha have a great work ethic and communicated with us to let us know what's going on at each step. Tony was prompt and would reply to my messages asap - love that! They did a fabulous job, and now my backyard looks fantastic.

We are so happy with our new pool and the service and support we received from Boldt pools Wainfleet. Matt and Josh were meticulous when it came to ensuring that the pool was perfectly placed and level and we are thrilled with the finished product! Great customer service also from Rob and Kate when we first made inquiries. Would not hesitate in recommending this company!

Matt and Josh installed my parents pool this summer. This is the third pool they have had installed in 34 years. The guys work ethic and communication was top notch!! They showed up when they said they would, they worked hard and kept my parents informed about the entire process. The guys were meticulous in ensuring everything was level, assembled precisely and overall exceeded my parent's expectations. They were friendly and knowledgeable and truly made it a great experience for those later in life to navigate. I would highly recommend their services!!!

Shopped around other competitive places, and hands down this is the place to go. On the day of install I was met with a pleasant crew. During their install, it actually seemed like they were having fun doing their work. What more can you ask for!? People who enjoy what they are doing and having a good time, for work!? If I have to say anything about this process, the communication is great and the people are even greater.
